Interchristian Fellowships' Evangelical Mission

(IcFEM)
- Kenya -

Holy Living & Hard Work
Accelerating Community Transformation

IcFEM is an indigenous Kenyan organisation based in Kimilili, Western Kenya. Its goal is to facilitate the integration of evangelism, community development, and relief and welfare.

IcFEM aims to build rural people's self esteem and capability so they become spiritually and practically self-supporting. IcFEM is registered with the Kenyan Government and has expanded rapidly since 1995 to a total of over 100 staff currently.

Interchristian Fellowships' Evangelical Mission (Europe) is a fund raising and grant-making body registered in the UK to support charitable work in Kenya, facilitating training and aid.
