TAILORING & SCHOOL UNIFORM PRODUCTION PROJECT

with mens', ladies' and childrens' wear

Aims –

- To set up a Tailoring and Schools' Uniform Production Unit in the Mission
- To make Mission Staff uniforms
- To make good quality mens', ladies' and childrens' wear for local people

Objectives

1. To increase sources of income for the Mission
2. To provide quality made school uniforms at affordable cost (seasonal)
3. To provide quality made uniforms at affordable cost for mission staff (nurses, watchmen, etc)
4. To complement the government's free Primary Schools' Education Policy by helping parents easily to access school uniforms at lower cost.
5. Create employment especially for unemployed trained tailors and the many unemployed school leavers
6. To help regulate pricing of school uniforms and other supplies from extortionate practices common in the local markets
7. To provide good quality affordable clothes for local people

Activities

1. Construction of a permanent brick built workshop with installation of electricity and fire extinguishers
2. Purchase of Sewing Machines and stands for the ones already available
3. Purchase of materials and hiring of staff
4. Bidding for tenders from Schools.
5. Advertising for local customers
